

Mount Kisco center gets new accreditation

Posted by: Barbara Nackman – Posted in Mount Kisco on Feb 22, 2012

The Mount Kisco Child Care Center reports that it just got accreditation from the National Association for the Education of Young Children, a leading organization of early childhood professionals.

"We're proud to have earned the mark of quality from NAEYC, and to be recognized for our commitment to reaching the highest professional standards," Dottie Jordan, Executive Director of MKCCC said in a release. "NAEYC Accreditation lets families in our community know that children in our program are getting the best care and early learning experiences possible."

More than 7,000 programs are currently accredited by NAEYC, approximately 8 percent of all preschools and other early childhood programs.

The Mount Kisco Child Care Center was established in 1971 and currently provides affordable child care to more than 160 children daily. It serves a diverse group of children from three months to 12 years of age providing day care and full-day kindergarten to after-school programs and summer camps
