Music, Food and Fun to Benefit Mount Kisco Child Care Center

Mount Kisco Child Care Center will host its fifth annual Feed Me Fresh: An Edible Evening fundraiser on Sept. 26 at 6:30 pm. The event will take place at West Patent Farm, Guard Hill Road at West Patent Road in Bedford Hills.

An evening of music, cocktails, farm market offerings and fabulous foods will help support the center's scholarship fund, enabling it to continue offering its innovative programming to children of all backgrounds.

Feed me Fresh is MKCCC's garden-to-table, sustainable nutrition program designed to increase the level of appreciation for healthy foods and healthy choices for children at an early age. The

event highlights the Center's commitment to community-based programming by educating families about healthy choices, while simultaneously showcasing the work of local chefs, farmers and artisans.

Blue Harvest will provide the music with a special appearance by Emmy Award-winning musician Isaac Raz. A live and silent auction will feature spa treatments, tickets to sporting events, fine dining, vacation packages and more.

Tickets cost \$175 and are tax-deductible. All event proceeds will benefit Mount Kisco Child Care Center's scholarship program. For information regarding tickets and/or donations, contact Alexandra Gordevitch at 914-241-2135 ext. 243 or agla@mkccc.org.
