

Feed Me Fresh

An Edible Evening to benefit Mount Kisco Child Care Center

Dear Friends,

Feed Me Fresh is always the 'party of the season' and we know you will want to participate! Our **14th Annual Feed Me Fresh: An Edible Evening** will be held on Saturday, September 22, 2018, under the tent on the beautiful grounds of Ivanna Farms in Bedford Corners, once again. More than 350 guests will be there! This is the Center's most important fundraiser of the year and benefits our need-based scholarship program.

This year, we are thrilled to honor our dear friend, **Doris Seidlitz**, who has served on MKCCC's Board of Directors since 2012. Doris's enthusiasm and love of the Center come through in all that she does. We are also pleased to honor the **Mount Kisco Chamber of Commerce**. The Chamber's mission is to enhance economic development in Mount Kisco by partnering with its members to support their shared commercial interests. Last, but certainly not least, we are very happy to recognize the many contributions, passion and generosity of **Martha Nierenberg**, a founding member of MKCCC and a long-time supporter.

We invite you to join us as one of the participating restaurants providing tasting plates for our guests during the evening. The event will take place from 5:30 – 9:30 pm, rain or shine. The format of the evening is informal, with Chef tables set up in a restaurant tent, adjacent to the main dining tent. This allows our guests to mingle around stations. This year, our theme is **PEACHES**, so feel free to incorporate into your menu, if possible! We ask that you be prepared to serve tastings to 350 people. Food service will commence at approximately 8pm; see attached form for additional details.

Should you choose to participate in **Feed Me Fresh**, and we hope you will, please complete the enclosed donation form, so that we may properly acknowledge your involvement. This will allow us to provide you with a letter for your records acknowledging your tax-deductible donation to the MKCCC. As a thank you for your participation, we will include your business' name in all press releases and the invitation; and include your logo and/or text recognition in the event Program and on the MKCCC website.

Your important support is appreciated and will help raise vital funds for low income families in the area who seek the quality child care and education MKCCC offers, year round – 11.5 hours each weekday. For 47 years, MKCCC has been at the forefront in providing unique, creative, nurturing child care for working families. This investment has immeasurable returns for children, families and the community for years to come.

For more information you can email feedmefresh@mkccc.org or visit www.mkccc.org/feed-me-fresh-event.

Thank you!

Sincerely,
Keira Treanor
