Making The Difference - When It Counts

'Cheers for Children' - a tasty afternoon at Cafe of Love!

Over 75 guests enjoyed delicious wine and food pairings at MKCCC's 3rd annual **'Cheers for Children' Wine Tasting Event** held on April 30th at Cafe of Love. We'd like to thank all our guests for coming out to support MKCCC - all proceeds from the event will support our scholarship program. And, an enormous thank you to **Leslie Lampert of Cafe of Love** and **Peter Costello of Hilltop Wines and Spirits** for all your donations.

Thank You for Your Support!

We would like to thank everyone who contributed to our **2017 Spring Challenge**. You helped us raise \$17,775 for the **Curt Beusman Children's Fund!**

Approximately half of our families receive some level of need-based support so they are able to ensure that their children are safe, happy and learning while they go to work each day. With your help, we have been able to provide affordable and exceptional early care and education to more than 6,000 children and their working families.

And, we are so fortunate that so many of our families and friends purchased plants at our annual **Flower Patch Plant Sale**. All proceeds benefit the scholarship program at MKCCC!

Community Partners

MKCCC was fortunate this month to have volunteers from **Sompo International** and **Kohl's Cares** help us out at the Center. Our volunteers worked in the Infant and Toddler classrooms, spent time with the seniors at My Second Home, fulfilled our Flower Patch plant sale orders, painted fences and cleaned up our gardens! We are so grateful to have such good friends!

Spring Gardening

MKCCC's students and teachers are busy planting our spring gardens. We planted carrots, onions, beets, radishes and sweet potatoes in our Root Garden, and enjoyed a fresh salad from greens planted in our Salad Garden.

Thank you once again to **Northern Westchester Hospital Foundation** and all our volunteers for making this garden such a special place. And, this all wouldn't be possible without the guidance and energy of our gardening coordinator, **Dr. Susan Rubin**. We couldn't do it without her!
