

Feed Me Fresh

An Edible Evening to benefit Mount Kisco Child Care

April 2019

Dear Friends,

This is the 'party of the season' and we know you will want to be a part of it! Our **15th Annual Feed Me Fresh: An Edible Evening** will be held on Saturday, September 21, 2019 on the beautiful grounds of Ivanna Farms in Bedford Corners. More than 350 guests will be there to enjoy the Center's most important fundraiser of the year, benefiting our need-based scholarship program.

This year, we are thrilled to honor dear friends, **Linda and Robert Heath**, who have been actively involved with the Center for more than 20 years. Linda is a past MKCCC Board President and continues to sit on MKCCC's Advisory Board. Linda and Robert are both actively involved in the Center's fundraising efforts. We are also pleased to honor **Dawn Greenberg**, founder of The Chappaqua Children's Book Festival, and co-founder of 914 Cares. Dawn is a tireless volunteer and supports a multitude of local non-profits focusing on children's causes, in particular. Last, but certainly not least, we are very happy to recognize the many contributions and collective efforts of Mount Kisco Child Care Center's Youth Volunteer Program. We applaud the hard work and dedication of the Program's founder, **Pam Moskowitz**, and its current facilitators, **Jennifer Bancroft-Payne** and **Ruth Goodman**. During the past 15 years, MKCCC has welcomed more than 5,500 middle and high school volunteers who help our teachers in the classrooms, playgrounds and with projects that involve our 'grandmas' and 'grandpas' at My Second Home.

We hope you will consider supporting the Center and recognizing our extraordinary honorees with an Event Journal Ad. We're pleased to promote your business and connect you to hundreds of influential guests and contributors.

Your important support is appreciated and will help raise vital funds for low income families in the area who seek the quality child care and education MKCCC offers year round – 11.5 hours each weekday. For 48 years, MKCCC has been at the forefront in providing unique, creative, nurturing child care for working families. Parents are able to go to work knowing their child is in safe hands, thriving and building skills to enter kindergarten ready to succeed.

The Feed Me Fresh Event Journal Ad will give you premiere exposure to our community of means and influence. Please return the Journal form enclosed by Aug 9th, along with camera-ready artwork. If you need help designing your ad, kindly respond by August 5th.

For more information you can email feedmefresh@mkccc.org.

Sincerely,

Helen Bock
Director of Communications and Strategic Partnerships
