Making The Difference - When It Counts

HAPPY NEW YEAR FROM MKCCC!

Saying Goodbye to 2020!

Our preschoolers celebrated the New Year early on New Year's Eve day with snacks, apple juice toasts to 2021, and their own "Countdown to Midnight" culminating in a shower of balloons courtesy of their teachers. It was definitely the event to end the season!

50 Years of MKCCC, 50 Years of Stories

With the dawn of a New Year, we have plenty to look forward to-- including our 50th anniversary! We're kicking off the celebration on our birthday, **February 17th** but to celebrate right, **we need your help!**

We want to hear from you--our Alumni, friends, families, and children-- about your time and favorite memories here at MKCCC. These submissions can be in whatever medium you prefer: in writing, video, photography, art, poetry, or give us a call and tell us about it!

The sky is the limit, no contribution is too big or too small! We're so excited to hear from you and celebrate by sharing these moments with one another. As we look back fondly, we eagerly prepare for the future that lies ahead and all of the new friends that await us.

For submissions, questions, and inquiries contact Meghan at mkccc50@gmail.com

THANK YOU, IICF

MKCCC is enormously grateful for the continued support of the Insurance Industry Charitable Foundation's (IICF) Northeast Division and the generous Community Grant we received in January, 2021. Thank you for helping us continue our mission of providing high quality, affordable care and early education to a diverse group of children in a safe, healthy environment through innovative and developmentally appropriate programming. MKCCC is making a difference in the lives of so many young children, when it counts the most. To read more about our partners at IICF, [Click Here](#).

Thank you to all of our donors for an incredible end-of-year campaign!

For 50 years and through this last, most especially difficult year, we have built a community where children thrive and grow, and it's all thanks to you and your continued support. On behalf of all of us here at MKCCC, thank you.

Matching gifts - your donation will have twice the impact

Many employers sponsor matching gift programs and will match any charitable contributions or volunteer hours made by their employees. If your company participates,

request a matching gift form from your employer, and send it completed and signed with your gift. We will do the rest. Check with your employer today!
